CORAM : H.L. GOKHALE &
S.C.DHARMADHKARI, JJ.

DATE : 5th May 2005

P.C. :

1. Heard the petitioner in person and the learned Counsel for the respondents.

2. Though various grievances are made in the petition, we find from the reply filed on behalf of respondent No.10 that the petitioner has already taken steps from time to time for redressal of his grievances by filing proceedings. He points out to us that the building is in a bad condition. He may make a representation to the

Municipal Corporation and particularly the Executive Engineer, E-Ward, Building Proposal. On making such a representation, we expect the Engineer to visit the building and to find out whether repairs, as complained of, are necessary and if so, to take necessary action forthwith. Petition disposed of.
